Title	reLocated
Author/Publisher	City of Melbourne
Date	2003
Description	Families living in the Kensington public housing estate had their lives changed when the State government decided to demolish most of the estate and rebuild it with a mix of private and public housing. A project was initiated to utilise cultural interventions as a means of: * documenting this mammoth social change in both physical and emotional terms; * acknowledging the scale, impact and meaning of the redevelopment and associated relocation of tenants;* and celebrating the contribution made by the communities living on the estate to Kensington and to Melbourne generally.

COMMUNITY DEVELOPMENT

Title Growing a Business
Author/Publisher Bob Neville
Date 2003
Description This book is designed to be the most valuable perspective and instructional tool ever produced for the micro-business person. It is highly confronting, yet totally realistic in explaining essential business principles, lessons and warnings in very simple, easy to understand language, along with very practical and useful tools.

Cost \$72.45
